To Whom it May Concern

The PluraView 3D Stereoscopic Monitor is a product manufactured by Schneider Digital out of Germany. KELYN Technologies, Inc., is the sole source distributor and authorized partner for all of North America.

KELYN Technologies is a WOSB certified by the SBA. According to the FAR these NAICS codes are eligible for Sole Source Awards. Please see attached documents and links:

NAICS code definition:

<https://www.naics.com/naics-code-description/?code=541519>

Our 3rd Party Certification expires 9/13/2020 and we are in process for renewal – certification attached.

FAR Part 19.1506 Women-Owned Small Business Program provides for Sole Source to WOSB under \$4 million for NAICS 541519.

<https://www.acquisition.gov/content/191506-women-owned-small-business-program-sole-source-awards>

Quite a few organizations with the Federal Government have used 19.1506 to contract with KELYN including the Small Business Administration itself.
